KAC MEMBERS' EXHIBITION

January 22-February 21, 2010

All artistic levels are encouraged to submit artwork for this exhibition.

ELIGIBILITY

The exhibition is open to current members ages 16+. Works in any two or three-dimensional media, and time-based media art are welcome. Artwork should have been created in the past 18 months.

JURORS

The exhibition is lightly juried by KAC staff.

SIZE/INSTALLATION LIMITATIONS

2-D and 3-D pieces of any size are permitted. Works that require special arrangements for installation or maintenance during the exhibition must secure permission from the curator. Max 3 works of art per person.

PRESENTATION

All accepted works must be ready to install. Two-dimensional works must be framed or presented with a Plexiglass or glass cover and foam core backing with angle tacks. Works on paper greater than 24 x 36 inches may be presented using an alternative method; however, the student must secure permission from the curator and must maintain professional standards for display. Works under glass without rigid frames will not be accepted. All three-dimensional works must be suitably prepared for installation with supports and, if needed, mounting devices. Acceptance of time-based media may be dependent on the availability of technical equipment for installation. Waterfront Framing and Fine Art is offering a discount of 20% on framing costs for artists submitting artwork into this exhibition. Please allow a minimum of two-weeks for framing. Contact Waterfront Framing and Fine Art at 269-982-3470 for details. You must show this completed registration as proof of intent to submit to the exhibition.
